Anchorman (Live At The Forum)

Something for Kate

You've never met
Someone you've never met
It's okay, it happened to someone you've never met
So you can stay, you can remain fearless
You can't hurt
You don't know what
What you don't know
Can't hurt you
So at least today
You can remain fearless
Fearless (x2)
I remember you from the bar
A charity gathering, five star
I saw you swimming inside a star
That was ready to blow us all apart
Like strong and distant moonlight
The anchorman's voice (x3)
Like strong and distant moonlight
The anchorman's voice guides me through the night
Like strong and distant moonlight
The anchorman's voice guides me through the night
The anchorman (x3)
Anchorman (x4)
