

I Wish I Were In Love Again

Tony Bennett

The sleepless nights, the daily fights
The quick toboggan, when you reach the heights
I miss the kisses and I miss the bites
I wish I were in love again The broken dates, the endless waits
The lovely loving and the hateful hates
The conversation with the flying plates
I wish I were in love again No more pain
No more strain
Now I'm sane
But I'd rather be punched, drunk The pulled out fur of cat and cur
The fine mismatching of a him and her
I've learned my lesson
But I wish I were in love again The furtive sigh, the blackened eye
The words, "I love you 'til the day I die"
The self deception that believes the lie
I wish I were in love again When love congeals, it soon reveals
The faint aroma of performing seals
The double crossing of a pair of heels
I wish I were in love again No, no more care
No, no despair
Now I'm all there now
But I'd rather be punched, drunk Believe me sir, I much prefer
The classic battle of a him and her
I don't like quiet
And I wish I were in love again
In love again, in love again
