

Smoke Along the Track

Dwight Yoakam

One day the train was passing, I caught it comin' by
To look this old world over, under God's blue sky
My darlin' stood there weepin' as I was lookin' back
I kissed my baby cryin' in the smoke along the track
Bye, bye, so long, there's something down the track
It's callin' me
Bye, bye, so long, I guess that's just the way
I'll always be
Now when I get this feelin'
Don't try to hold me back
I'll only leave you cryin'
In the smoke along the track
I like to keep on goin', it helps me when I'm blue
I get the urge to travel, that's all I want to do
I know I just can't settle down because I like to roam
And when I hear that whistle blow I gotta move along
Bye, bye, so long, there's something down the track
It's callin' me
Bye, bye, so long, I guess that's just the way
I'll always be
Now when I get this feelin'
Don't try to hold me back
I'll only leave you cryin'
In the smoke along the track
I know my baby loves me, I love my baby too
But she don't understand me when I'm feelin' blue
And when I hear that whistle blow I hurry home to pack
And kiss my baby cryin' in the smoke along the track
Bye, bye, so long, there's something down the track
It's callin' me
Bye, bye, so long, I guess that's just the way
I'll always be
Now when I get this feelin'
Don't try to hold me back
I'll only leave you cryin'
In the smoke along the track
