

# Treblinka

## A Filetta

Only in America  
Only in America  
I walk, I try to learn, I die  
I walk, I try to learn, I die  
Only in America  
Only in America  
I walk, I try to learn, I hide  
I run, I try to breathe, I die  
Only in America  
Lonely in America  
Homely in America  
Lonely In America  
America
