

It's Alright

Bang Gang

I said something wrong
I just can't hide it
It runs out
And I can't fight it
It's alright

I meant nothing bad
I'm just excited
Please don't cry
I try to fight it
It's alright

And I was
In your arms
And you were in my arms
And I was
In your arms
And you were in my arms
It's alright
It's alright

I meant nothing bad
I'm just excited
Please don't cry
I try to fight it
It's alright

And I was
In your arms
And you were in my arms
And I was
In your arms
And you were in my arms
It's alright
It's alright

And I was
In your arms
And you were in my arms
And I was

In your arms
And you were in my arms

And you might like what I say
And you might get what you hate
And it's okay to be right here by you
It's alright...
