

# Only You

[Joshua Radin](#)

Looking from the window above  
Its like a story of love  
Can you hear me? Came back only yesterday  
Who went further away  
Want you near me All I needed was the love you gave  
All I needed for another day  
And all I ever knew, only you Sometimes when I think of her name  
When its only a game and I need you  
Listen to the words that you say  
Its getting harder to stay when I need you All I needed was the love you gave  
All I needed for another day  
And all I ever knew, only you This is gonna take a long time  
And I wonder whats mine  
Cant take no more Wonder if youll understand  
Its just the touch of your hand  
Behind a closed door All I needed was the love you gave  
All I needed for another day  
And all I ever knew, only you
