

# Love's Grown Deep

[Kenny Nolan](#)

I love you, so much  
Somewhere back in time  
You became a friend of mine  
And day by day we've grown a little closer  
You're my spirit to be strong  
A friend when things go wrong  
So I've written down these words to let you know Loves grown deep, deep into the heart of me  
You've become a part of me  
Let us plant the seed and watch it grow  
Loves grown deep, deep into the heart of me  
You've become a part of me As we travel down the road  
Side-by-side we'll share the load  
Hand-in-hand we'll see each other through  
Though we've only just begun  
Let's count our blessings one-by-one  
I thank God for life, I thank God for you Loves grown deep, deep into the heart of me  
You've become a part of me  
Let us plant the seed and watch it grow  
Loves grown deep, deep into the heart of me  
You've become a part of me And as the seasons slip away  
Forever lovers we will stay  
Together, do-or-die, with all our hearts Loves grown deep, deep into the heart of me  
You've become a part of me  
Let us plant the seed and watch it grow  
Loves grown deep, deep into the heart of me  
You've become a part of me
