Still Alive (Teddybears Mix)

Lisa Miskovsky

No I've changed
I have changed
Just like you
Just like youFor how long
For how long
Must I wait
I know there's something wrongYour concrete heart isn't beating
And you tried to
Make it come aliveNo shadows
Just red lights
Now I'm here to rescue youOh I'm still alive
I'm still alive and
I cannot apologize, noOh I'm still alive
I'm still alive and
I cannot apologize, noSo silent
No violence
But inside my head
So loud and clearYou're screaming
You're screaming
Covered up with a smile I've learned to fearJust sunshine
And blue sky
This is all we get
For living hereCome fire
Come fire
Let it burn and love come racing throughOh I'm still alive
I'm still alive and
I cannot apologize, noOh I'm still alive
I'm still alive and
I cannot apologize, noI've learn to lose
I've learn to win
I turn my face against the windI will move fast
I will move slow
Take me where I have to goOh I'm still alive
I'm still alive and
I cannot apologize, no
