

I'm a Lady

Shaka Ponk

Oh yeah

Come on

Ooh

Check check

Ooh ooh just check it out

Ooh ooh just check it out

Ooh ooh just check it out

Ooh ooh just

Aaah fuck you

(spit it out)

When I was a kid at the age of 5

I found a hole so far in my mind

There I could see what nobody sees

I was a lady beware ladies

I was a shock for my red neck kin

'cause they ain't got of me a thing

The dress of Mummy and jewelry

They never be so pretty like me

Is it foggy I say faggy

Dangerously slippery baby

You've got to take it easy

I ain't gonna hurt you

Baby baby

'cause I'm a lady, I'm a lady

'cause I'm a lady, I'm a lady

'cause I'm a lady, I'm a lady

'cause I'm a lady, I'm a lady

(come on come on come on)

(come on come on come on)

(come on come on come on)

Aaah fuck you

Ooh

(gimme the beat)

On the D-day with a boyfriend of mine (he said)

We can't do it 'cause we're the same kind (no way)

I'm a lady like all ladies

With so many more possibilities

No matter what you choose 'cause I don't care I'm cutting loose

Do you have to be such a goose it's time to set your dog loose

No matter what you choose 'cause I don't care I'm cutting loose
Do you have to be such a goose it's time to set your dog loose
(spit it out)
Is it foggy I say faggy
Dangerously slippery baby
You've got to take it easy
I ain't gonna hurt you
Baby baby
'cause I'm a lady, I'm a lady
'cause I'm a lady, I'm a lady
'cause I'm a lady, I'm a lady
'cause I'm a lady, I'm a lady
'cause I'm a lady, I'm a lady
'cause I'm a lady, I'm a lady
'cause I'm a lady, I'm a lady

Just want much more inside of me
No matter what you choose 'cause I don't care I'm cutting loose
