

# Shades Of Joy (feat. Marvin Parks)

Nicola Conte

Shade of joy  
All around  
This time  
I wanna love Turn your face  
To the light  
This time  
I wanna love No how to fall because of it  
You'll stand so tall because of it  
You'll have it all because of it  
This world is small because of it Give it a chance  
Give it chance  
This time  
This time  
Shade of joy  
All around  
This time  
I wanna love Turn your face  
To the light  
This time  
I wanna love No how to fall because of it  
You'll stand so tall because of it  
You'll have it all because of it  
This world is small because of it Give it a chance  
Give it chance  
This time  
This time  
Joy, joy  
Joy, joy, joy  
Joy, ooh, joy  
Joy, joy, joy joy  
Ooh joy  
Joy, oh  
joy
