Backstander

Godhead

I wish I was free now
You drive me into a place
Where I barely can hide from you
Moments at a timeYou know I never sleep
To keep myself away from you
I'm always turning around
To see you standing on my backSometimes I find that my
Delivery is all the same
And when I look at you
I instinctively start the gamei never see what you mean when you
Start to weep and scream at me
Oh no, the ringing in my head again
Oh no,you're ripping off my face againYou know I never sleep
To keep myself away from you
I'm always turning around
To see you standing on my backyou're just a pretty face
You're just a pretty faceYou know I never sleep
To keep myself away from you
I'm always turning around
To see you standing on my back
