Yeah yeah I'm tired of doing this shit  
Aight word, aight I'ma set it  
Tell me how you feel man  
Yo son, check the fly shit son  
Sup cousin how you doin?  
Yo baby check it man  
I got a new connect son, for real man  
Fuck all this twenty-four brick shit man  
No doubt  
My man got out of state for fifteen  
Yeah  
YouknowwhatI'msayin?  
Yo know my man's gonna represent PA, politickin to death so  
Right right  
It's all good, what's up? What you want to do?  
We gotta move God, we gotta move God, we gotta migrate  
Get the fur, get the fuck outta New York, yaknowwhatI'msayin?  
Bounce man, start fuckin with bigger and better shit  
So you tellin me no more big eights strictly breaks  
No more no more no more man  
Then I'm with you, I've been waiting  
No more God  
WHASSUP?  
It's the pot of gold right here man this is it, man this is glory  
YouknowwhatI'msayin?  
So yo, the first thing we gotta do man  
Is just know what we gonna do with this cream when we get it man  
Right  
Cause I'm not trying to just be, sitting on motherfucking two-hundred thou  
And acting like I'ma just be a  
Nah

Nah  
Son I got bigger and better plans Son  
No doubt, we gonna move on man  
And you know I be fuckin with anybody man  
Son, long as the love and the trust is there Son  
We gonna grow God  
You know it Tony

We gonna grow like a plant Son  
Yo you coming at me like that Son?  
For real Son, come on you know me man  
You know my style Son  
You know how my heart feels though God  
No doubt  
But yo God, for real, this is my last time God  
I'm hangin this shit up man if this shit don't work right here God  
YouknowwhatI'msayin?  
Word up, I feel the same way

Yo God, yaknowwhatI'msayin?
