

# Something for the Ladies

## Nelson

Give her a ??  
To shake your hips soft  
Get that body on the floor  
Give her a baseline  
To teach that waistline  
Get that body on the floor  
On the floor  
Where people come together  
On the dancefloor  
To check out one another  
Hey DJ hey  
Something for the ladies  
Hey DJ Hey  
Something for the ladies

Don't put on ?? vibe  
We don't dance tonight  
Get that body on the floor  
Don't play no ??  
Play that lo-so  
Get that body on the floor  
On the floor  
Where people come together  
On the dancefloor  
To check out one another  
Hey DJ hey  
Something for the ladies  
Hey DJ Hey  
Something for the ladies

I said ladies, oh ladies  
Get on the floor  
Hey DJ hey  
Something for the ladies  
Hey DJ Hey  
Something for the ladies

Hey DJ Hey  
Something for the ladies

Hey DJ Hey  
Something for the ladies

Hey  
Hey  
Hey
