Mini Trucks Suck

Afi

Mini trucks suck. Cross the street in your mini truck. Mini trucks suck. Stupid piece of shit. Hip-hop fuck. Mini trucks suck. Cross the street in your mini truck. Mini trucks suck. Stupid piece of shit. Hip-hop... Cruising with my new whore. I'm out of beer and I need more. Marijuana has got me high. Can only be heard when I need pot. Look at me, I said you're a prick. Flip off me. You wanna suck dick? Stand right there, I'll fucking hit you. I'll take this. Hit you back, hit you back and slam right into a pole. Mini trucks suck. Cross the street in your mini truck. Mini trucks suck. Stupid piece of shit. Hip-hop fuck. Mini trucks suck. Cross the street in your mini truck. Mini trucks suck. Stupid piece of shit. Hip-hop... Like to cruise when I know I'm poor. I'm a regular at the liquor store. Max out the stereo, pump up the bass. I buy girl shit. Wanna drive in a race. Think I'd rather fuck a chump. Need my beer and a little joint. Friends are easy, don't know shit. Going down and suck, down and suck, down and suck... at least I'm getting laid. Mini trucks suck. Cross the street in your mini truck. Mini trucks suck. Stupid piece of shit. Hip-hop fuck. Mini trucks suck. Cross the street in your mini truck. Mini trucks suck. Stupid piece of shit. Hip-hop... Yeah, boy. Mini trucks suck. Cross the street in your mini truck. Mini trucks suck. Stupid piece of shit. Hip-hop fuck. Mini trucks suck. Cross the street in your mini truck. Mini trucks suck. Stupid piece of shit. Hip-hop... fuck.
