

Heavy Heart (feat. Mark Wilkinson)

GAMPER & DADONI

I know it feels like things have dropped to the floor,
Your heart is heavy you can't take anymore,
You did your best and gave all that you could,
And now it feels like you have less than you should,
But I say, hey baby, Don't turn around and walk away baby,
Cause I ain't lying,
When I say hey baby,
Don't turn around and walk away baby,
We'll be fine,
So start again and lift things up from the ground,
And brick by brick rebuild the strength that came down,
You're just the same you know, nothing has changed,
Just a little time and we'll be running again,
So I say, hey baby, Don't turn around and walk away baby,
Cause I ain't lying,
When I say hey baby,
Don't turn around and walk away baby,
We'll be fine,
If you give it some time,
A little space and you'll find,
Another spark in your eye,
And we'll be on our way,
Till I say, hey baby,
Don't turn around and walk away baby,
Cause I ain't lying,
When I say, hey baby
Don't turn around and walk away baby,
We'll be fine.
Hey baby,
Don't turn around and walk away baby,
I ain't lying,
When I say, hey baby Don't turn around and walk away baby,
We'll be fine.
Hey baby, hey baby, hey baby,
I ain't lying,
When I say, hey baby
Don't turn around and walk away baby,
We'll be fine
