

Louisiana 1927 (Remastered Version)

Randy Newman

What has happened down here is the winds have changed
Clouds roll in from the north and it start to rain
Rained real hard and rained for a real long time
Six feet of water in the streets of Evangeline
The river rose all day, the river rose all night
Some people got lost
in the flood
Some people got away alright
The river have busted through, clear down to Plaque mines
Six feet of water in the streets of Evangeline
Louisiana, Louisiana
They're tyrin' to wash us away
They're tryin' to wash us away
Louisiana, Louisiana
They're tryin' to wash us away
They're tryin' to wash us away
President Coolidge came down in a railroad train
With a little fat man with a notepad in his hand
President say "little fat man, isn't it a shame?"
What the river has done to this poor cracker's land
Louisiana, Louisiana
They're tyrin' to wash us away
They're tryin' to wash us away
Louisiana, Louisiana
They're tryin' to wash us away
They're tryin' to wash us away
They're tryin' to wash us away
They're tryin' to wash us away
