

# All I Have to Do Is Dream

## Juice Newton

Dream, dream, dream, dream  
Dream, dream, dream, dreamWhen I want you  
    In my arms  
    When I want you  
    And all your charms  
    Whenever I want you  
    All I have to do is dream  
Dream, dream, dreamWhen I feel blue  
    In the night  
    When I need you  
    To hold me tight  
    Whenever I want you  
All I have to do is dreamI could make you mine  
    Taste your lips of wine  
    Anytime, night or day  
    Only trouble is, gee whiz  
I'm dreaming my life awayI need you so  
    That I could die  
    I love you so  
    And that is why  
    Whenever I want you  
All I have to do is dreamThe only trouble is, gee whiz  
I'm dreaming my life awayI need you so  
    That I could die  
    I love you so  
    And that is why  
    Whenever I want you  
    All I have to do is dream  
Dream, dream, dreamDream, dream, dream, dream  
    Dream, dream, dream, dream  
    Dream, dream, dream, dream  
    Dream, dream, dream, dream
