

# Lost It All

## Black Veil Brides

I ruled the world  
With these hands I shook the heavens to the ground  
I laid the gods to rest  
I held the key to the kingdom lions guarding castle walls  
Hail the king of death

Then I Lost It All  
Dead and broken  
My backs against the wall  
Cut me open  
I'm just trying to breathe, just trying to figure it out  
Because I built these walls to watch them crumbling down  
I said then I Lost It All  
And who can save me now?

I stood above  
Another war, another jewel upon the crown  
I was the fear of man  
But I was blind, I couldn't see the world there right in front of me  
But now... I can

Cause I Lost It All  
Dead and broken  
My backs against the wall  
Cut me open  
I'm just trying to breathe, just trying to figure it out  
Because I built these walls to watch them crumbling down  
I said then I Lost It All  
And who can save me now?

I believe that we all fall down sometimes  
Can't you see that we all fall down sometimes?  
I believe that we all fall down sometimes  
Can't you see that we all fall down sometimes?

I believe that we all fall down sometimes
