

# Perfect Scar

## K's Choice

If life is a scar, why are you waiting for the world to see  
Who it is you are, and not who they want you to be  
It's passing you by in a grey that's hardly lit  
And who am I to tell you how to color it  
Oh-oh, show them who you are to set you free  
Oh-oh, show them your perfect scar  
The one I have on me  
And don't let those bastards drag you down  
If life is pain  
You're sure it is, 'cause the pain is real  
But what if life was love  
Just love, for you to feel  
Oh-oh, show them who you are to set you free  
Oh-oh, show them your perfect scar  
The one I have on me  
And don't let those bastards drag you down  
Oh-oh, show them who you are to set you free  
Oh-oh, show them your perfect scar  
The one I have on me  
Oh-oh, show them who you are to set you free  
Oh-oh, show them your perfect scar  
The one I have on me  
And don't let those bastards drag you down
