

# Vampires

Cody Jinks

Where does time go, when its gone away  
Time was on my side, yesterday  
So much can change  
Between then and now  
Where does time go  
Where did dreams die, along the way  
Dreams were all we had, yesterday  
Who told all the vampires of the world  
They were welcome anyway  
Where did dreams die  
Who gave who the message  
Who gave who the hands of time  
Who gave who the job to take the reason and the rhyme  
Like another Holden Caulfield, I'm the catcher in the rye  
Who told who to take the dreams out back to die  
Who told who to take the dreams out back to die  
Who gave who the message  
Who gave who the hands of time  
Who gave who the job to take the reason and the rhyme  
Like another Holden Caulfield, I'm the catcher in the rye  
Who told who to take the dreams out back to die  
Who told who to take the dreams out back to die  
Who gave who the message  
Who gave who the hands of time  
Who told all the vampires of the world they were welcome anyway
