

Still Scratching (feat. Styles P)

DMX

[Intro: Styles P]

Yeah, X. Dog nigga. What up?! Somebody else sit right here[Verse 1: Styles P]

Keep the boots tight

Two new guns, I'm hoping they shoot right

Life's a dice game, we beatin' the deuce twice

Corner 12:05 [?] brick at the coupe's price

Had to rob mad shit to get me through life

Had to blow mad trees to get me through nights

Coward ass niggas really get me too tight

Load up, let it off, niggas whole head is off

Piss down your neck motherfucker, you was better off

Letting your Beretta off

SP [?] tear your whole sweater off

Wife-beater and your white T

Turn all red when you split to the white meat

Still throw up nigga, what?

DMX and The Ghost, four-four niggas up

I represent the poor niggas, what?

Fully loaded hand gun, we roll in the cut[Hook: DMX]

X and The Ghost

Cats feel different when they necks in the toast

Cats get a feelin' when they next to get roast

That's what they get fuckin' wit X and The Ghost

Come on, come on

X and The Ghost

Cats feel different when they necks in the toast

Cats get a feelin' when they next to get roast

That's what they get fuckin' wit X and The Ghost

Come on, come on[Verse 2: DMX]

Cats don't know I ain't playin' with this shit

You keep playin' with the kid, is why you starin', gettin' bit

Leave you layin' in a ditch, it's your actions that make me

Ask you 'do you know who the fuck you playin' wit?!'

Evidently nah, I rep the R

Prescription, no description of what you saw

Whatever happened happened, it's in the past

That's why these new fake niggas ain't gon' last

Nowadays things feel like they in that movie life

And they names, just can't get right

No matter what they do they fallin' off
Nigga fuck you and your crew, you all soft
Y'all niggas is more pussy, the whole pussy
Think about it, don't please, don't push me
Man, y'all niggas was doin' some shit
That's gon' make it go bad for all niggas[Hook: DMX]

X and The Ghost

Cats feel different when they necks in the toast
Cats get a feelin' when they next to get roast
That's what they get fuckin' wit X and The Ghost

Come on, come on

X and The Ghost

Cats feel different when they necks in the toast
Cats get a feelin' when they next to get roast
That's what they get fuckin' wit X and The Ghost

Come on, come on[Bridge: DMX]

Y'all niggas already know what it is!

Y'all niggas already know what it is!

Y'all niggas already know what it is!

Y'all niggas already know what it is!

Y'all niggas already know what it is!

Y'all niggas already know what it is!

Y'all niggas already know what it is![Hook: DMX]

X and The Ghost

Cats feel different when they necks in the toast
Cats get a feelin' when they next to get roast
That's what they get fuckin' wit X and The Ghost

Come on, come on

X and The Ghost

Cats feel different when they necks in the toast
