# Shima Uta

Diego - The Flowers That We Held
Distant Winds Will Breathe And Sigh Beneath The Clouds
Diego - The Flowers That We Lost
Distant Winds Are Calling Up A Distant Storm
I Embrace All My Sorrow Deep Within
Like The Waves Roll Across The Ocean Shore
Uuji Where We First Met
In A Forest Green And Gold
Now I Stand Beneath The Tree
Where I Cried My Last Farewell
Shima Uta My Island Ride The Wind
Together Fly Like Birds
Across The Ocean Waves
Shima Uta My Island Ride The Wind
Deliver All My Tears Across The Ocean Waves
Diego - The Flowers Gently Sway
Gently Fall As They Ripple In The Breeze
Time Goes By And My Dream Of Happiness

Drifts Away Petals Floating On The Sea
Uuji Where I Would Sing
Close Together With My Friend
Now I Stand Beneath The Tree
Where I Cried My Last Farewell
Shima Uta My Island Ride The Wind
Together Fly Like Birds
Across The Ocean Waves
Shima Uta My Island Ride The Wind
Deliver All My Love Across The Ocean Waves
The Creator Of My Life
The Creator Of The World
May This Evening Calm
Last As Long As You Live
Shima Uta My Island Ride The Wind
Together Fly Like Birds
Across The Ocean Waves
Shima Uta My Island Ride The Wind
Deliver All My Tears Across The Ocean Waves
