

# Shima Uta

[Andrew W.k.](#)

Diego - The Flowers That We Held  
Distant Winds Will Breathe And Sigh Beneath The Clouds  
Diego - The Flowers That We Lost  
Distant Winds Are Calling Up A Distant Storm  
I Embrace All My Sorrow Deep Within  
Like The Waves Roll Across The Ocean Shore  
Uuji Where We First Met  
In A Forest Green And Gold  
Now I Stand Beneath The Tree  
Where I Cried My Last Farewell  
Shima Uta My Island Ride The Wind  
Together Fly Like Birds  
Across The Ocean Waves  
Shima Uta My Island Ride The Wind  
Deliver All My Tears Across The Ocean Waves  
Diego - The Flowers Gently Sway  
Gently Fall As They Ripple In The Breeze  
Time Goes By And My Dream Of Happiness

Drifts Away Petals Floating On The Sea  
Uuji Where I Would Sing  
Close Together With My Friend  
Now I Stand Beneath The Tree  
Where I Cried My Last Farewell  
Shima Uta My Island Ride The Wind  
Together Fly Like Birds  
Across The Ocean Waves  
Shima Uta My Island Ride The Wind  
Deliver All My Love Across The Ocean Waves  
The Creator Of My Life  
The Creator Of The World  
May This Evening Calm  
Last As Long As You Live  
Shima Uta My Island Ride The Wind  
Together Fly Like Birds  
Across The Ocean Waves  
Shima Uta My Island Ride The Wind  
Deliver All My Tears Across The Ocean Waves
