Only You

Darius

Sunrise will never feel the same
Mesmerized and I can't escape
And I just can't breathe when you're not with me
I wish you could see the things I've seen
But I can't control the way it goes
And I pray one day you'll know

Only you can see me when I cry
Only you can hold me like a child
Only you can make me miss brown eyes
Only you can love me like you do

Sunset will never feel the same
Regret is pouring like the rain
If I could hit the road and find you
Could you forget the things you know?
How can I breathe when I can't hold you?
How can I ever let you go?

Only you can see me when I cry
Only you can hold me like a child
Only you can make me miss brown eyes, your eyes
Only you can leave my heart so bruised
Only you can change the life I choose
Only you can love me like you do

And I need you now to save me
Teach me, forgive me now
'Cause only you can reach me, heal me
I'm holding out for you, I'm lost without you

Only you can see me when I cry
Only you can hold me like a child
Only you can make me miss brown eyes, your eyes, yeah
Only you can leave my heart so bruised
Only you can change the life I choose
Only you can love me like you do

So help me, so save me, reach me, feel me
So hold me like a child

Only you can make me miss brown eyes
Only you can love me like you do

I'm coming back to you
