

# Come With Me (7th Heaven Remix)

**Ricky Martin**

This is not the way I wanted things to be  
I hope someday you'll understand  
My heart beats stronger when I know, close to you  
It's helped me to be a better man Why must all of the love come falling  
Why don't we just take our chance  
I could walk this road again with you my love, oh, oh Why can't you come to me  
Don't save your love for some elusive dream  
Why can't you find your way  
I will fall for you no matter where it leads This is not the way we started, you and I  
How was it that I lost my way  
Two souls can drift apart without a word  
Were those the words I did not say Why must all of the dreams come falling  
Why don't we just take this chance  
I could walk this road again with you my love, oh, oh Why can't you come to me  
Don't save your love for some elusive dream  
Why can't you find your way  
I will fall for you no matter where it leads I could walk this road again with you my love  
Why can't you come to me  
Don't save your love for some elusive dream  
Why can't you find your way  
I will fall for you no matter where it leads
