

# Exciter

## Judas Priest

Racing 'cross the heavens  
Straight into the dawn  
Looking like a comet  
Slicing through the mornScorching the horizon  
Blazing to the land  
Now he's here amongst us  
The age of fire's at handStand by for exciter  
Salvation is his task  
Stand by for exciter  
Salvation bids to askEverything he touches  
Fries into a crisp  
Let him get close to you  
So you're in his tripFirst you'll smoke and smolder  
Blister up and singe  
When ignition hits you  
The very soul of your being will cringeStand by for exciter  
Salvation is his task  
Stand by for exciter  
Here he comes now  
Fall to your knees  
And repent if you pleaseWho is this man?  
Where is he from?  
Exciter comes for everyone  
You'll never see him  
But you will taste the  
Fire upon your tongueHe's come to make you snap out  
Of the state that you are in  
Look around and make you  
See the light againSo much self-indulgence  
Results in shattered eyes  
Predominant complacency  
Leads to beguiling liesStand by for exciter  
Salvation is his task  
Stand by for exciter  
Salvation bids to askWhen he leaps amidst us  
With combustive dance  
All shall bear the branding  
Of his thermal lanceCauterizing masses  
Melting into one

Only when there's order  
Will his job be doneStand by for exciter  
Salvation is his task  
Stand by for exciter  
Here he comes now  
Fall to your knees  
And repent if you pleaseWho is this man?  
Where is he from?  
Exciter comes for everyone  
You'll never see him  
But you will taste the  
Fire upon your tongueRacing past the heavens  
Straight into the dawn  
Looking like a comet  
Slicing through the mornScorching the horizon  
Blazing to the land  
Now he's here amongst us  
The age of fire's at handStand by for exciter  
Stand by for exciter  
Stand by for exciter  
Stand by for exciter
