

I Love You Anyway

Holly Starr

(Verse)

I dont got much to say i hope it doesn't end this way
We all have those times in our lives
when we really wanna believe the lies
It really hurt me when i wasn't who you wanted
but Im sorry I cant give you everything
Just because your lifes not like mine
Doesn't mean I have more than you, more than you(Chorus)
So I love you anyway, anyway
I love you anyway
I love you anyway(Verse)
I will remember all the times we shared together
and I will remember all the tears that fell from my eyes
Seventy minutes on the phone is a long time
but God has a reason for you to be in my life(Chorus)
