Mermaids

Xandria

sigh - for they make you feel alive
try - it's just one step aside
fly - over seas of drunken wine
lie - cause you'll never draw a linecome and be a child of the blue
we'll make the azure dream come truecry - for they leave you cold and dead
ride - til the last of suns is setdon't dive too deep - too deep into the seacome and be a child of the blue
we'll make the azure dream come truei drift and fall - sapphire spear inside
they come for me and softly close my eyesfight - for this is your last chancecome and be a child of the blue
leave the past, we make it newyou will always be our child
(child of the blue)
you will always be our child
(child of the blue)
