

# In the End (Live In Madrid)

## LINKIN PARK

It starts with one thing  
I don't know why  
It doesn't even matter how hard you try  
Keep that in mind I designed this rhyme  
To explain in due time  
All I know  
Time is a valuable thing  
Watch it fly by as the pendulum swings  
Watch it count down to the end of the day  
The clock ticks life away It's so unreal  
Didn't look out below  
Watch the time go right out the window  
Trying to hold on, but you didn't even know  
I wasted it all just to watch you go  
I kept everything inside  
And even though I tried, it all fell apart  
What it meant to me  
Will eventually be a memory of a time when I tried so hard  
And got so far  
But in the end  
It doesn't even matter  
I had to fall  
To lose it all  
But in the end  
It doesn't even matter One thing, I don't know why  
It doesn't even matter how hard you try,  
Keep that in mind I designed this rhyme,  
To remind myself of a time when  
I tried so hard  
In spite of the way you were mocking me  
Acting like I was part of your property  
Remembering all the times you fought with me  
I'm surprised it got so  
Things aren't the way they were before  
You wouldn't even recognize me anymore  
Not that you knew me back then  
But it all comes back to me in the end  
I kept everything inside  
And even though I tried, it all fell apart

What it meant to me will eventually be a memory of a time when I tried so hard

And got so far

But in the end

It doesn't even matter

I had to fall

To lose it all

But in the end

It doesn't even matter I've put my trust in you

Pushed as far as I can go

For all this

There's only one thing you should know

I've put my trust in you

Pushed as far as I can go

For all this

There's only one thing you should know I tried so hard

And got so far

But in the end

It doesn't even matter

I had to fall

To lose it all

But in the end

It doesn't even matter
