

# I Will Be Your Friend

CoCo Lee

When every moment gets too hard  
The end of the road can feel so far  
No matter how much time we'll part  
I'm always near you I'll be the shelter in your rain  
Help you find your smile again  
I'll make you laugh if you have a broken heart  
Wherever you are 'Cause I'm never gonna walk away  
If the walls come down some day  
All along when you feel the pain  
I'll be there when you call my name You can always depend on me  
I believe until forever ends  
I will be your friend So many people come and go  
Nothing can change the you I know  
You'll never be just a face in the crowd And time will show  
Through the seasons and the years  
I will always hold you dear  
Never you fear 'Cause I'm never gonna walk away  
If the walls come down some day  
All along when you feel the pain  
I'll be there when you call my name You can always depend on me  
I believe until forever ends  
I will be your friend I'll be around  
When every candle burns down low  
And I want you to know 'Cause I'm never gonna walk away  
If the walls come down some day  
All along when you feel the pain  
I'll be there when you call my name You can always depend on me  
I believe until forever ends  
I will be your friend
