# Running In The 90's

## Initial D

Modem talking, modern walking in the streets.
New desire.
Take me higher,
Lift me higher with your speed,
I need fire.
Get the satellite if you want to see me.
Talking on the net,
I know the way you like it.
Get your credit card,
'Cause I need no money,
All I wanna get is you baby.
Running in the nineties, is a new way I like to be.
I'm just running in the nineties, come on baby run to me
We are running in the nineties, is a new way to set me free.
I'm just running in the nineties.
Yes I wanna know, yes I wanna see.
Cyber talking
Cybersex is on the line
New desire
Take me higher,
Boost me higher with your mind
Set me on fire.
Get the satellite if you want to see me.
Talking on the net,
I know the way you like it.
Get your credit card,
'Cause I need no money,
All I wanna get is you baby.
Running in the nineties, is a new way I like to be.
I'm just running in the nineties, come on baby run to me
We are running in the nineties, is a new way to set me free.
I'm just running in the nineties.
Yes I wanna know, yes I wanna see.
New desire.
I need fire.
Running in the nineties, is a new way I like to be.
I'm just running in the nineties, come on baby run to me
We are running in the nineties,is a new way to set me free.
I'm just running in the nineties.

Yes I wanna know, yes I wanna see.
Take me higher.
Lift me higher with your speed.
I need fire.
Get the satellite.
Talking on the net.
Get your credit card.
All I wanna get.
Running in the nineties.
Running in the nineties.
Running in the nineties.
Running in the nineties.
