Fetisha

Orgy

Fe ti sha
Day glow all of you
Made for those little sick ones
Played out in super drag, mistreat another piece of you
Pleasing you was a trick, raping you all with a stick
(Pleasing you)
Arming up with more reasons to snap you out of bliss
Cut out of aleister fiendsYou're entering this machine
Glaring one eye for me
Just a second
And a chance to see you
Violated by a crowd of me
It's getting bigger like you used to beTell them all she won't be back
'Cause she needed a change
Turned away from her fears
She's been falling down
Tell them all she's gonna be gone, gone, gone
Just listen to meSsh, ssh, aah, ssh, ssh, ssh, aah
Ssh, ssh, aah, ssh, ssh, aah
Ssh, ssh, ssh, aah, ssh, ssh, aah
Ssh, ssh, aah, ssh, ssh, ssh, aahLeaving your new found cool
What will you do sick one, oh no?
Promising your filthiness
Something strange or catalystFetisha
This beloved perversion
Fly over, come to kill, what you do?
Bend over, come to cure all of you
Slide over, come to kill, what you do?
Glide over, come to cure all of youTell them all she won't be back
'Cause she needed a change
Turned away from her fears
She's been falling down
Tell them all she's gonna be gone, gone, gone
Just listen to meBecause she needed the friends
'Cause she will always be, she will always be
Because she needed the friends
As she will always know me
She will always know me, she needed the fringe
Deemed to follow the fears, before she goes

She will always know meTell them all she won't be back
'Cause she needed a change
Turned away from her fears
She's been falling down
Tell them all she's gonna be gone, gone, gone
Just listen to me
(She's been)
Falling down
Tell them all she's gonna be gone, gone, gone
Just listen to meSsh, ssh, aah, ssh, ssh, ssh, aah
Ssh, ssh, aah, ssh, ssh, aah
Ssh, ssh, ssh, aah, ssh, ssh, aah
