If I Had You

[Bryan Adams](#)

If I was blind, you could make me see
If I was down, you could comfort me
Well I ain't got a lot, but I got is true
There's nothin' that I can't do, if I had youI could walk on water, I'd dance on air
Go any place, go anywhere
Could climb the Empire State, and the Rockys too
There's nothin' that I can't do, if I had youIf I had you, what else could I pray?
If I had you, I could make my wayThe sun is up, the sky is blue
There's nothin' that I can't do, if I had youIf I had you, what else could I plead?
If I had you, I'd have all I needThe sun is up, the sky is blue
There's nothing that I can't do, if I had you
There's nothing that I can't do, if I had youOoh ooh, ooh ooh
Ooh ooh, ooh ooh
