

We Three

The Ink Spots

We three - we're all alone
Living in a memory
My echo, my shadow, and me

We three - we're not a crowd
We're not even company
My echo, my shadow, and me

What good is the moonlight
The silvery moonlight that shines above?
I walk with my shadow
I talk with my echo
But where is the one I love?

We three - we'll wait for you
Even till eternity
My echo, my shadow, and me

We three - we're all alone
Seems like we're livin' in a memory
That's my echo, my shadow, and me
We three - we ain't no crowd
Fact is, we ain't even company
That's my echo, my shadow, and me
You know I been wonderin'
What good is the moonlight
That silvery moonlight that shines way, way up above?
Yeah, I walk with my shadow
I talk with my echo
But where is that gal that I love?

We three - we'll wait for you
Even till eternity
My echo, my shadow, and me
