California Stars

Billy Bragg

I'd like to rest my heavy head tonight On a bed of California stars I'd like to lay my weary bones tonight On a bed of California starsI'd love to feel Your hand touching mine And tell me why I must keep working on Yes I'd give my life To lay my head tonight on a bed Of California starsI'd like to dream My troubles all away On a bed of California starsJump up from my star bed Make another day Underneath my California stars They hang like grapes On vines that shine And warm the lovers' glass Like friendly wineSo I'd give this world Just to dream a dream with you On our bed of California starsI'd like to rest my heavy head tonight On a bed of California stars I'd like to lay my weary bones tonight On a bed of California starsI'd love to feel Your hand touching mine And tell me why I must keep working on Yes I'd give my life To lay my head tonight on a bed Of California starsI'd like to dream My troubles all away On a bed of California starsJump up from my star bed Make another day Underneath my California starsThey hang like grapes On vines that shine And warm the lovers' glass Like friendly wineSo I'd give this world Just to dream a dream with you On our bed of California starsSo I'd give this world Just to dream a dream with you On our bed of California stars(Dream a dream with you)
