

Restless (Live 1976)

The Sweet

You know I've tried to cool it
I've been trying to settle down
But when I think I'm made it
 It drives me crazy
Well, I'm staying on the wild side
 Always hit the higher ground
 Nothing I do
Could amaze meI'm so restless, so restless
 You know it's too late now
 Too late now, too late now
Too late now...Well I've always been outrageous
 But a change has gotta come
 Making up my mind
 Was never easy
I was born to late to love you
 The day will never come
 It's love that I need
So don't tease meI'm so restless, so restless
 You know it's too late now
 Too late now, too late now
 Too late now...
