

# Lifetime

Katharine Mcphee

Ah, ah, ah, ah, ah, ah, ah, ah  
Ah, ah, ah, ah, ah, ah, ah, ah  
Breathe, breathe, breathe before you get old  
Sing, sing, sing a song that you know  
Sleep, sleep, sleep with someone you love  
Let them know you do, that you really do  
Hold them tight and don't forget differences are differences  
All the dreams of life that you've been letting go  
Blink and then you'll miss it and you'll never know  
This could be the moment that turns into a lifetime  
Ah, ah, ah, ah, ah, ah, ah, ah  
Ah, ah, ah, ah, ah, ah, ah, ah  
Give, give, give of yourself  
Never leave, leave, leave better than well  
No, do, do, do all you can do  
Love them like you want someone to love you  
Highs and lows will come your way, there's no need to be afraid  
All the dreams of life that you've been letting go  
Blink and then you'll miss it and you'll never know  
This could be the moment that turns into a lifetime  
Ah, ah, ah, ah, ah, ah, ah, ah  
And always remember that your brighter days are up ahead  
(No regrets)  
Squeeze them tight and don't forget differences are differences  
All the dreams of life that you've been letting go  
Blink and then you'll miss it and you'll never know  
This could be the moment  
This could be the moment that turns into a lifetime  
Ah, ah, ah, ah, ah, ah, ah, ah  
Ah, ah, ah, ah, ah, ah, ah, ah  
Ah, ah, ah, ah, ah, ah, ah, ah  
Ah, ah, ah, ah, ah, ah, ah, ah
