Airbag (live)

Radiohead

In the next world war
In a jack knifed juggernaut
I am born again

In the neon sign
Scrolling up and down
I am born again

In an interstellar burst
I am back to save the universe

In a deep, deep sleep
Of the innocent
I am born again

In a fast German car
I'm amazed that I survived
An airbag saved my life

In an interstellar burst
I am back to save the universe

In an interstellar burst
I am back to save the universe

In an interstellar burst
I am back to save the universe
