

Maker Of Heaven

Desperation Band

Keep my heart amazed
Let me see Your wonders every day
Teach me in Your ways so that I may fear
You are walking on water
You are calling me after
You are standing beside me now
You are the Maker of Heaven
You turn my world around
You're making all things new again
Through it all I know, You are God alone
Set my heart on fire
Let me burn with passion for Your name
Take over my life, I surrender now
