

# I Don't Wanna Know

## Dr. Feelgood

(lee brilleaux/gypie mayo) People tell me about bad breaks  
Business is bad and the loss they've made  
Don't give me your mistakes  
That's one line I can't take Man I don't wanna know Seen the look in a young girls eye  
Her needs to love but bye and bye  
She'd drag me down if she could  
And I know that ain't no good Girl I don't wanna know- guitar break -Work for money and not for fun  
It don't bother me if the job ain't done  
I don't care what the boss may say  
Do my job, get my pay Man I don't wanna know
