

Fall Again

Virtue!

Verse 1

Yes, I remember when i saw your face
I felt all my life wrongs made right
As soon as i gave into you
I took one step you took two
Yes, I called on you
Every single day
But then i started to lose my connection with you
And now conviction is so true
That's why i'm running back to you

Chorus:

Spirit will you fall again
Make me over again
I hear your voice so clear
Will you please draw me near
I'm Sowing
Restore me
Back to when i First believed
Please Fall again on me

No this ain't like me
Thought I'd never leave you side
But somehow guilt and shame destroyed my faith
I thought this walk would be easy
But the devil decieved me
Now I learned the hard way there's no living life for me
Now I see if there's no you there's no me
So I'm calling you Jesus
Please Rescue me

Chorus

Bridge:

The love I felt
When I denied myself
I do believe that you care bout me
No I can't live without you
No I won't live without you
I need you to fall again
