

# Okay With Me

Kyson Kidd

chorus:

Don't play with me  
Bad bitches they stay with me  
Wanna pop bottles all night with me  
All day with me  
Okay with me  
Don't don't play with me  
Bad bitches they stay with me  
Wanna pop bottles all night with me  
All day with me  
Okay with me  
Yea it's okay with me  
Yea it's okay with me  
It's okay with me  
Yea it's okay with me  
Don't don't play with me  
Bad bitches they stay with me  
Wanna pop bottles all night with me  
All day with me  
Okay with me White boys, doe boys  
Ball players, peons  
Pull up in Europeans  
Back to back like it's a rerun  
My pull up game is disgusting  
You pussy niggas disgust me  
Smoking on loud and its musty  
Like Hammer "Can't touch me"  
I build a lot  
I got bricks and milk  
To take a BM up  
That I designed myself  
Save bottles man I don't need your help  
Like a nigga in a casket I'm fresh to death  
Count myself a whole jilt man  
Man tittie boy on that bin shit  
I like bad food I eat quick  
Id have told ya'll I got three bricks  
I'm ready like that's the disaster  
Ini mini mynie mo which county goes faster?

My trap house I'm king of this castle  
A yellow bitch frying and her ass a little faster  
Gucci Mane ain't nothing change  
Nothing but champagne in my campaign  
We fly there two private planes  
It's 2 Chainz and Gucci Mane  
Don't play with me  
Bad bitches they stay with me  
Wanna pop bottles all night with me  
All day with me  
Okay with me  
Don't play with me  
Bad bitches they stay with me  
Wanna pop bottles all night with me  
All day with me  
Okay with me  
Yea it's okay with me  
Yea it's okay with me  
It's okay with me  
Yea it's okay with me  
Don't play with me  
Bad bitches they stay with me  
Wanna pop bottles all night with me  
All day with me  
Okay with me  
{2chainz}  
Okay with me  
Yea it's okay with me  
Shorty got them crab legs  
I got that ol bay with me  
And I got the k with me  
I wish they would try it bitch  
Them nigga selling wood tickets  
And I won even buy them shits  
I go heard competin  
My bank row conceded  
Take her home complete her  
Then I skeet her and delete her  
Do it with no compassion  
Do it without her asking  
Yea I'm from Atlanta  
But my jury from Alaska  
I was born to be what I was gonna be  
Bought you all that's up under me  
Concrete got bun in there

Get to rip you niggers  
All heart attacks  
Boom, bottom  
name a nigga 'round here harder  
Playing basketball in my prada's  
Living like it's no tomorrow  
Don't play with me  
Bad bitches they stay with me  
Wanna pop bottles all night with me  
All day with me  
Okay with me  
Don't play with me  
Bad bitches they stay with me  
Wanna pop bottles all night with me  
All day with me  
Okay with me  
Yea it's okay with me  
Yea it's okay with me  
It's okay with me  
Yea it's okay with me  
Don't play with me  
Bad bitches they stay with me  
Wanna pop bottles all night with me  
All day with me  
Okay with me
