Missing

No Mercy

And I miss you
Like the deserts miss the rain
And I miss you
Like the deserts miss the rainAnd I miss you
Like the deserts miss the rain
And I miss you
Like the deserts miss the rain
And I miss youI step off the train
I'm walking down your street again
Pass your door
But you don't live there anymoreIt's years since you've been there
And now you've disappeared somewhere
Like outer space
You've found some better placeAnd I miss you
Like the deserts miss the rain
And I miss you
Like the deserts miss the rainAnd I miss you
Like the deserts miss the rain
And I miss youCould you be dead?
You always were two steps ahead
Of everyone we'd walk behind
While you would runAnd the years have proved
To offer nothing since you've moved
And you're long gone
And I can't move on and I miss youAnd I miss you
Like the deserts miss the rain
And I miss you
Like the deserts miss the rain
And I miss youI step off the train
I'm walkin' down your street again
Pass your door
But you don't live there anymoreAnd I miss you, yeah
Like the deserts miss the rain
And I miss you
Like the deserts miss the rainAnd I miss you. ooh
Like the deserts miss the rain
And I miss you
Like the deserts miss the rainAnd I miss you
Like the deserts miss the rain

And I miss you
