

I (who Have Nothing)

Luther Vandross

I, I who have nothing
I, I who have no one
Adore you, and want you so
I'm just a no one
With nothing to give you
But ooh, I love you
She, she buys you diamonds
Say they're bright, they are bright sparkling diamonds
But believe me, boy, ooo boy, hear what I say
She could give you the world
But she'll never love you the way
That I love you, baby
You can go any place you want
To fancy clubs and restaurants
But I can only watch you with her
My nose pressed up against the window pane
The window pane
Ooo yeah, yeah
I
Who have nothing
Nothing
I
Who have no one
Must watch you
I will watch you, baby
Go passing by
But you don't see me
Wrapped in the arms of
Wrapped in the arms of somebody else
When darling, it's I
Who
Really loves you, baby
Really loves you, baby
I'm the one
I'm the one, I'm the one
I want to be the one that you just can't live without
I want to be the one that you never feel no doubt
I want to be the one that you let give you the lovin'
But, I have nothing

Nothing

I want to be the one that you always want to be near
I want to say the words that your body and soul need to hear
I want to be the one that you let give you all the lovin'

But I have nothing

I want to be the one that you always want to be near
I want to say the words that your body and soul need to hear
I want to be the one that you let give you all the lovin'

But I have nothing
