

Live Forever

Black Sabbath

Advisory - the following lyrics contain explicit language:

Just before you die
They say you see your life go flashing by
Cold dark endless nights
To burn in hell or bathe in ever light Well I don't wanna live forever
But I don't want to die
I may be dreaming or whatever
I live inside a lie Days pass by too soon
Waiting for the rising of the moon
No escape from here
Facing death but is your conscious clear? I may be dreaming or whatever
Watching my life go by
And I don't wanna live forever
But I don't wanna die Well I don't wanna live forever
But I don't want to die
I may be dreaming or whatever
I live inside a lie Don't want to life forever
But I don't want to die
Don't want to life forever
But I don't want to die
