

Lost in Paradise

Eric Hutchinson

Sitting on vacation I can't tear myself away
I think I could get used to this real fast
The life that I have left back home cannot find me today
And in my mind I'm moving here at last But hows it gonna feel
When I am living here and everything is real
So familiar that it loses the appeal
When all the paradise wears off
And hows it gonna be
When my old life has finally caught up to me
I move fast but I never get free
And its taking over me Oh I, I don't know why
Everything wrong goes right
When I am lost
When I'm lost
When I'm lost in paradise Ohhh I think I just now thought it
Don't know what I want until I've already got it
Grass is greener than the grass I sodded
No matter where I'm coming from I'm broken hearted
And this can't be real life
And this can't be real life
Where people live so nice
And everything's on ice
My problems booked a plane came out to visit me
Said "how'd you track me down" they said "you're so easy" But hows it gonna feel
When I am living here and everything is real
So familiar that it loses the appeal
When all the paradise wears off
And hows it gonna be
When my old life has finally caught up to me
I move fast but I never get free
And its taking over me Oh I, I don't know why
Everything wrong goes right
When I am lost
When I'm lost
When I'm lost in paradise And I don't wanna I don't wanna
I don't wanna I don't wanna
I don't wanna go home I don't wanna I don't wanna
I don't wanna I don't wanna
I don't wanna go home I don't wanna I don't wanna

I don't wanna I don't wanna
I don't wanna go home I don't wanna I don't wanna
I don't wanna I don't wanna
I don't wanna go home Oh I, I don't know why
Everything wrong goes right
When I am lost
When I'm lost
When I'm lost in paradise When I am lost
When I'm lost
When I'm lost in paradise
