

# When a Woman Loves a Man

[Paul Kelly](#)

When a man loves a woman  
Can't keep his mind on nothin'else  
He'd trade the world  
For a good thing he's foundIf she is bad, he can't see it  
She can do no wrong  
Turn his back on his best friend  
If he puts her downWhen a man loves a woman  
Spend his very last dime  
Trying to hold on to what he needs  
He'd given up all his comfort  
And sleep out in the rain  
If she said that's the way  
It ought to be  
When a man loves a woman  
I give you everything I've got (yeah)  
Trying to hold on to your precious love  
Baby, baby please don't treat me badWhen a man loves a woman  
Deep down in his soul  
She can bring him such misery  
If she is playing him for a fool  
He's the last one to know  
Loving eyes can never see  
Yes when a man loves a woman  
I know exactly how he feels  
'Cause, baby, baby, baby I am a man  
When a man loves a woman
