

# Whenever

## Cherish

Cherish We were sittin' at the table  
We were talkin' 'bout some thangs  
Conversatin' on what's been goin' on lately He moved in a little further  
Said, Baby come a little closer  
There is somethin' that I want you to know And then he said, Whenever you wanna get down  
I'll be around 'cause I'm in no hurry  
Again he said, Whenever you feelin' the mood  
To let me love you, I'll be here for you "I put my hair behind my ear  
Thinking if what I heard was clear  
Turned my head thinkin' 'bout what I should say Then he said, Before you speak, you're the only one for me  
Baby, I'm here for you whenever you're ready"  
All while he speaks thoughts start to creep  
I start to think about the things in time we could do And then he said, Whenever you wanna get down  
I'll be around 'cause I'm in no hurry  
Again he said, Whenever you feelin' the mood  
To let me love you, I'll be here for you Whenever the time, whenever the place  
Baby, just call or hit me on my two way  
Baby, I'm down for whatever you say  
It's all for you And then he said, Whenever you wanna get down  
I'll be around 'cause I'm in no hurry  
Whenever you feelin' the mood  
To let me love you, I'll be here for you And then he said, Whenever you wanna get down  
I'll be around 'cause I'm in no hurry  
Whenever you feelin' the mood  
To let me love you, I'll be here for you
