

I Don't Hurt Anymore

[Johnny Cash](#)

It don't hurt anymore, all my teardrops have dried
No more walking the floor with that burning inside
Just to think it could be, time has opened the door
And at last I am free, I don't hurt anymore
No use to deny, I wanted to die the day you said we were through
But now that I find you're out of my mind I can't believe that it's true
I've forgotten somehow that I cared so before

And it's wonderful now, I don't hurt anymore
No use to deny, I wanted to die the day you said we were through
But now that I find you're out of my mind I can't believe that it's true
I've forgotten somehow that I cared so before
And it's wonderful now, I don't hurt anymore
