

When the Lights Go Down (Radio Edit)

Armand Van Helden

When the lights go down in your town,
And the band begins to play,
You can feel the energy coming
From the people as they say When the lights go down in your town,
And the band begins to play,
You can feel the energy coming
From the people as they say When the lights go down in your town,
And the band begins to play,
You can feel the energy coming
From the people as they say When the lights go down in your town,
And the band begins to play,
You can feel the energy coming
From the people as they say Everybody calls him wonderkid
Everybody calls him wonderkid
Everybody calls him wonderkid
Everybody calls him wonderkid
He gets kicks from guitar licks When the lights go down in your town,
And the band begins to play,
You can feel the energy coming
From the people as they say When the lights go down in your town,
And the band begins to play,
You can feel the energy coming
From the people as they say
